"Before coming to Dr. Kelly, I had stiffness and pain in my neck and back every day. Now after adjustments, I am pain free. Also, after doing the liver and colon cleanse, I have lost 15lbs. and am feeling better than I have for most of my life. I am very thankful to Dr. Kelly, she is a blessing in my life."
- Sue Tomko, Cuyahoga Falls, OH 53 yrs.

"Five years ago I had back surgery and I only wish that I had tried this instead. Dr. Gallagher has helped me immensely. In just four weeks, she made me feel one hundred percent better. I have recommended her to a number of people who have been just as pleased with their care. I am so glad that I found her and her chiropractic care."
