

The Cuyahoga Falls Chamber of Commerce would like to welcome you!

Welcome Cuyahoga Falls resident, business leader or visitor to our fine community.

We hope you will enjoy the many things to see and do in Cuyahoga Falls from the wonderful parks, The Natatorium Health and Fitness Center, Waterworks Aquatic Center, the scenic Cuyahoga River and Water Falls as well as Falls River Square where many of our festivals take place during the summer.

We are proud of the growth and developments in our city with many industries and businesses sharing in success.

The Chamber of Commerce is a non-profit business organization that was founded in 1926. We serve the needs of the Cuyahoga Falls Business Community and have grown under the leadership of many volunteer business leaders and a strong and willing staff and we will continue to partner with our city, local schools, civic, and business organizations to make Cuyahoga Falls the strong community that it is.

The Chamber of Commerce celebrates 84 years as a chartered organization this year.

The Chamber operates on membership dues and non-revenue income. Chamber membership is open to every business, organization or individual interested in promoting Cuyahoga Falls and being a collective part of the business community.

Today we stand strong and proud representing over 300 local business members. The companies listed in the 2010 Membership Directory are the businesses helping to drive Cuyahoga Falls' economic growth through their involvement with our Chamber.

Please stop by our office at the corner of Portage Trail and Second Street and pick up a FREE copy of the Cuyahoga Falls Street Map or just come to browse our informational brochure racks.

Thank you,

Laura A. Petrella, CEO
